Dear Staff and Residents,

I want to thank you for all you did for my wife, Vila van Huben, while she was there with you. All of you who dealt with her, Administrative Staff, Nurses, Nurses Aides, Activities Director, Housekeepers, Rehab Specialists and Residents, gave her wonderful loving care. She was very appreciative. She liked you and called some of you friends. And rightly so, because you not only took care of her physical needs, you offered friendship and comfort and encouragement.

I also am very appreciative and again I thank you.

God bless you all.

Leslie van Huben
